

ACTIVITY RISK ASSESSMENT SUMMARY

17/05/2009

EVENT: **GLOUCESTER ROWING CLUB - DAY ROWING - GLOUCESTER SHARPNESS CANAL**

DATE COMPLETED: CDP 061106

DATE REVIEWED: UPDATED 270309

COMMENT:

More weather added  
RYA 2 Launches and Bikes added  
Row Safe  
Tow Path

NO	Old Ref	HAZARD	HARM	LOCATION	WHO	DESCRIPTION	RISK FACTOR	NO PEOPLE	SEVERITY	LIKELIHOOD	CURRENT CONTROLS	NEW CONTROLS	RISK FACTOR	NO PEOPLE	SEVERITY	LIKELIHOOD
1	1	Temperature	Hypothermia	Landing Stage GRC	Crew / Launch	Getting afloat -Capsizing	12	4	3	1	Coach / Helpers / Crew members to hold boat / Swim test /Capsize Drill / PFD					
2		Work Near Liquids	Drowning	Landing Stage GRC	Crew / Launch	Getting afloat	20	4	5	1	Coach / Helpers / Crew members to hold boat / / Swim test /Capsize Drill /PFD					
3	3	Work Near Liquids	Falling In	Landing Stage GRC	Crew / Launch	Getting afloat - Capsizing	4	4	1	1	Coach / Helpers / Crew members to hold boat / Swim test /Capsize Drill / PFD					
4	4	Obstruction	Striking against	Landing Stage GRC	Crew / Coach / Helper	Getting afloat	8	4	2	1	Landing stage checked for obstacles / obstacles removed					
5	5	Pedestrian Access	Slip, Trip, Fall	Landing Stage GRC	Crew / Coach / Helper / Public	Getting afloat	24	4	2	3	Landing stage checked for obstacles / obstacles removed					
6	6	Manual Handling	Back Injury	Landing Stage GRC	Crew / Coach / Helper	Lifting boats, trestles, blades	24	4	3	2	Coach / Helper present / crews trained on boat handling / In crew cox or bow gives instructions only / Landing Stage is permanent structure at GRC					
7	7	Temperature	Hypothermia	Landing Stage GRC	Crew / Coach / Helper	Falling Into Canal	12	4	3	1	Coach / Helper present / crews trained on boat handling / In crew cox or bow gives instructions only / Landing Stage is permanent structure at GRC / Swim Test / Capsize Drill / PFD					
8	8	Work Near Liquids	Drowning	Landing Stage GRC	Crew / Coach / Helper	Moving around canal edge	40	4	5	2	Coach / Helper present / crews trained on boat handling / In crew cox or bow gives instructions only / Landing Stage is permanent structure at GRC / Swim Test / Capsize Drill / PFD					
9	9	Work Near Liquids	Falling In	Landing Stage GRC	Crew / Coach / Helper	Moving around Canal edge - Weils Disease	8	4	1	2	Coach / Helper present / crews trained on boat handling / In crew cox or bow gives instructions only / Landing Stage is permanent structure at GRC / Light landing stage					
10	10	Obstruction	Striking against	Landing Stage GRC	Crew / Coach / Helper / Public	Moving boats - bow, stern, riggers, blades issue	16	4	2	2	Coach / Helper present / crews trained on boat handling / In crew cox or bow gives instructions only / Landing Stage is permanent structure at GRC / Light landing stage					
11	11	Pedestrian Access	Slip, Trip, Fall	Landing Stage GRC	Crew / Coach / Helper / Public	Riggers in way, blades on ground	24	4	2	3	Coach / Helper present / crews trained on boat handling / In crew cox or bow gives instructions only / Landing Stage is permanent structure at GRC / Designated area for blades before and after use					
12	12	Overload	Crushing	Landing Stage GRC	Crew / Coach / Helper / Public	Falling Boat, Launch	16	4	2	2	Coach / Helper present / crews trained on boat handling / In crew cox or bow gives instructions only / Landing Stage is permanent structure at GRC					
13	13	Stored Energy	Falling Materials	Landing Stage GRC	Crew / Coach / Helper / Public	Falling Boat, seat, Cox box, trestle, blade etc	8	4	1	2	Coach / Helper present / crews trained on boat handling / In crew cox or bow gives instructions only / Landing Stage is permanent structure at GRC					

14	14	Obstruction	Striking against	On the Water	Crew / Coach / Helper / Launch	Collision with Debris, moored boat, fishermen, swan	24	4	3	2	Two people on launch one driving RYA2 qualified, other coach / Mobile phone on board for contact / Weather & Water check / Full Safety Kit on Launch as per ARA Row Safe / Signing out and in book / Route fixed and noted / Restriction on number of crews on water / Swim Test / Capsize Drill / PDF / Nav Rules					
15	15	Obstruction	Striking against	On the Water	Crew / Coach / Helper / Launch	Collision with other boat	12	4	3	1	Two people on launch one driving RYA2 qualified, other coach / Mobile phone on board for contact / Weather & Water check / Full Safety Kit on Launch as per ARA Row Safe / Signing out and in book / Route fixed and noted / Restriction on number of crews on water / Swim Test / Capsize Drill / PDF / Nav Rules					
16	16	Temperature	Hypothermia	On the Water	Crew / Coach / Helper / Launch	Capsizing	24	4	3	2	Two people on launch one driving RYA2 qualified, other coach / Mobile phone on board for contact / Weather & Water check / Full Safety Kit on Launch as per ARA Row Safe / Signing out and in book / Route fixed and noted / Restriction on number of crews on water / Swim Test / Capsize Drill / PDF					
17	17	Work Near Liquids	Drowning	On the Water	Crew / Coach / Helper / Launch	Capsizing	40	4	5	2	Two people on launch one driving RYA2 qualified, other coach / Mobile phone on board for contact / Weather & Water check / Full Safety Kit on Launch as per ARA Row Safe / Signing out and in book / Route fixed and noted / Restriction on number of crews on water / Swim Test / Capsize Drill / PDF					
18	18	Work Near Liquids	Falling In	On the Water	Crew / Coach / Helper / Launch	Capsizing	16	4	2	2	Two people on launch one driving RYA2 qualified, other coach / Mobile phone on board for contact / Weather & Water check / Full Safety Kit on Launch as per ARA Row Safe / Signing out and in book / Route fixed and noted / Restriction on number of crews on water / Swim Test / Capsize Drill / PDF					
19	19	Work Near Liquids	Poisoning	On the Water	Crew / Coach / Helper / Launch	Weils Disease	32	4	4	2	Two people on launch one driving RYA2 qualified, other coach / Mobile phone on board for contact / Weather & Water check / Full Safety Kit on Launch as per ARA Row Safe / Signing out and in book / Route fixed and noted / Restriction on number of crews on water / Swim Test / Capsize Drill / PDF					
20	20	Obstruction	Striking against	On the Water	Crew / Coach / Helper / Launch	Collision with Debris, bridges, moored boat, swan, fishermen	24	4	3	2	Two people on launch one driving RYA2 qualified, other coach / Mobile phone on board for contact / Weather & Water check / Full Safety Kit on Launch as per ARA Row Safe / Signing out and in book / Route fixed and noted / Restriction on number of crews on water / Swim Test / Capsize Drill / PDF / Nav Rules					
21	21	Obstruction	Striking against	All Bridges on GSC	Crew / Coach / Helper / Launch	Collision with bridge structure	24	4	3	2	Head for middle of arch / Light pressure through bridge if traffic coming other way / Cox and Coach to be in audible contact by megaphone, walkie talkie // Swim Test / Capsize Drill / PDF / nav Rules					
22	22	Natural Hazard	Various	Canal	Crew boats / Launch	Flooding	36	4	3	3	Do not row if landing stage covered. If up to lip do not go to docks with Cat / Nav Rules					
23	23	Natural Hazard	Illness	Landing Stage GRC	Crew boats / Launch / Crew / Coach / Helper	Bird Droppings	36	4	3	3	Signs to stop public feeding birds from landing stage and cleaning landing stage before outing					
24	24	Stored Energy	Flying / Falling Materials	Whole Site	Crew / Coach / Helper	Weather - wind	24	4	2	3	Wear the right kit at the right time. Information Pack. Constantly assess conditions - call off event till wind drops // Nav Rules
